

CALL FOR SPONSORS

Deadline is February 7, 2025

The Pennsylvania Association of Environmental Educators, (PAEE) invites organizations and businesses to a great opportunity to reach an audience of environmental education leaders throughout Pennsylvania. You can participate by becoming a sponsor for the statewide 2025 PAEE Conference that will be held in Erie for the first time in many years. It will be held at the Bayfront Convention Center on March 10-12, 2025. We are excited about new opportunities for attendees, presenters, exhibitors, and sponsors. See below for sponsorship opportunities that will fit your interests and achieve your objectives.

The theme for this year's conference - **“Waves of Connection”** - celebrates what makes PAEE so special: our collaborative ability as passionate environmental educators to drive change through resilience, diversity, engagement, and connections.

Everyone involved in PAEE and the annual conference plays an important part in our success. The 2025 Annual Conference is another important milestone for advancing the work and mission of PAEE. PAEE holds its annual conference throughout the state and last year had 170 attendees. We expect that number to continue to grow every year.

PAEE was established in 1977. Its members consist primarily of non-formal and formal educators from parks, nature centers, schools and universities, and government agencies such as PA Department of Environmental Protection, PA Department of Conservation and Natural Resources, the PA Game Commission and PA Fish & Boat Commission.
